A close-up photograph of a person wearing a dark blue or black uniform with reflective stripes on the sleeve. The person is firmly gripping a silver metal handrail, likely on a train or subway. The background is slightly blurred, showing the interior of a vehicle with blue walls.

positive aspect : Job security, sure to have a post, life is not in danger every day

negative aspect : psychologically hard, work rhythm

A photograph showing a person lying on their back on a light-colored floor. Several other people, some in dark uniforms, are kneeling around the person, appearing to provide medical assistance or check their condition. The scene is dimly lit, suggesting an indoor setting like a station or a train car.

Conclusion : I love the action !
